- Town Council Workshop

New Year. New Goals. Continued Progress.

This January marks the beginning of a new year and a new opportunity for our community to encourage and support each other with the goals our town and committees worked hard to create. It takes each resident to work together in support of our community to achieve growth and success. Although 2023 was a great experience, we look forward to the events and plans already in the works for 2024. Our aim is that you can join and be involved in this growing community; we can't do it without you!

The PLAYGROUND is OPEN!

We celebrated this momentous occasion in December and boy how the children, young and seasoned, enjoyed it. Stop by to enjoy a walk around the track while your little ones enjoy the outdoors, plus you will get to know your neighbors.

Thank you to the Parks & Recreation Committee for all your hard work on this, can't wait to see what is next, stay tuned!

**Playground requires adult supervision and is at your own risk.*
